

## Black Forest Healey Week

July 24 to 30, 2016

We have prepared and are ready to announce an extensive 6-day Healey week and tour to the Black Forest in Germany.

The Organizing Committee has secured accommodation (for expected max. 230 participants) in the exciting surroundings of the Lake Schluchsee close to Freiburg, Germany. A wonderful area in the Southwest of Germany close to the borders of Switzerland and France (Alsace) with lots of bendy mountainous roads in beautiful landscape and predestined to be discovered by Healeys! The area is also famous for its delicious food and drink highlights like Black Forest gateau, Black Forest ham, venison, smoked trouts, pastas, high class wine, fruit brandy and beers.

## Invitation

All Austin-Healey Club UK members and members from other European Austin-Healey Clubs are kindly invited to attend the forthcoming week's activities. It is our sincere hope we are going to greet and meet many Healey-friends from all over Europe. We will stay at the Schluchsee Hotel Vier Jahreszeiten (Four Seasons) <http://www.vjz.de/en/hotel-vier-jahreszeiten-schluchsee> at Lake Schluchsee in the Highlands of the Black Forest.

With the management of this luxury wellness hotel we were able to agree on a package deal, which leads to a most affordable price for participating in this week.
