

Sprite Midget Race Series Tentative Gingerman 2016 Plans

Tentative Schedule (March 26, 2016)

The following is the agenda as posted on March 26, 2016. Everything in yellow highlight is what Stan Mason is planning along with Sprite Midget Race Series Activities. Event chair will determine how many drivers will be attending this race weekend and whether they will expand to 5 race groups or remain with the typically 4 race groups for this race weekend. We will be having our exclusive Sprite Midget Race I am not sure how long (I requested a shorter duration from last year) and when during the weekend.
