

## Sprite 60<sup>th</sup> Reunion September 13-16, 2018

### ELVF (Elkhart Lake Vintage Festival) held in Elkhart Lake, WI & Road America Race Track (revised 2.5.18)

This Special 60<sup>th</sup> Sprite Anniversary is expected to be the largest gathering of Street and combined Vintage Race Cars in the United States. Why can we say that, well in the past 6 years VSCDA Sprite Midget Series has consistently had 15 or more Spridget Racing wheel to wheel racing with up to 23 Spridgets at one event. Knowing this is a special event we think 50 plus Spridgets Racing in additions to all those Street Spridgets that supports Donald and Geoffrey Healey's vision of creating a low price good handling Sports Car is not understated! We already have input from all US Coasts and Canada wanting to attend this event. This event, is more than a Vintage Race or Car Show in fact it is both including a Concours of Special Spridgets in the Historic Elkhart Lake where Sports Car Racing started. This weekend is very busy. Racing Spridget will have many options covered that you can attend through your VSCDA Race Registration. Street Spridgets will not be allowed into the Road America Paddock without a Paddock Pass. If you purchase an advance Paddock Pass through Stan Mason by August 1, 2018 you will get a discount and have access to special paddock parking across from Sprite Racing Paddock and also be included in the open lap for street cars prior to the 60<sup>th</sup> Sprite Reunion Race. You will also have several other options on form below. The following is highlight of events for this weekend with preliminary agenda, Street Spridget Forms and abbreviated Map of events and location below:
